

Travis Hendren

Chief Operating Officer, GMS

Travis Hendren, our Chief Operating Officer, joined us in June 2014. Prior to being named COO, Mr. Hendren served as President of GMS Canada, our Canadian subsidiary, from August 2019 to July 2022 and our Vice President of Corporate Development from June 2014 to June 2019. From 2008 to 2014, Mr. Hendren was a Managing Director with Algon Group, where he worked as a financial consultant to the building materials and homebuilding industries. Previously, Mr. Hendren worked for Wachovia Securities and predecessors as an investment banker, most recently as a Director, focused on building materials manufacturers and distributors. Mr. Hendren received a Bachelor of Science of Business Administration degree with distinction from the University of North Carolina.
